

## Level 4 Key Signature Table

1. Answer the questions on the top boxes.
2. Write order of sharps on the second line (you don't have to write words, I just gave you the first word of our reminder to get you started).
3. Put a "Zero" (0) Under the scale/key which has no flats or sharps.
4. Number the rest of the line out from the ZERO: 5 4 3 2 1 **0** 1 2 3 4 5 (There are not that many on both sides, but I don't want to give you all the answers!) This is the number of flats or sharps in the key above.

Is this side flats or sharps? Which would go down (left)? _____		Is this side flats or sharps? Which one would go up (right)? _____
